

# Commandments and the Law

## Introduction

The Ten Commandments are the perfect Law of YHWH, existing from the time of creation, applicable to all mankind. YHWH wrote them on two tablets of stone with His own finger. They were placed in the Ark of the Covenant and form the foundation of His mercy. They give us guidance in living a set apart life, allow us to identify sin and, by keeping them, protect us from the consequences of sin. Y'HoShUA did not destroy the Law but rather fulfilled it. He taught mankind to internalize the Law. Obedience of all Ten Commandments is a requirement for a disciple of Y'HoShUA, as He stated, "If you want to enter into life, keep the Commandments". The Mosaic Law was delivered from YHWH, through His servant Moses. This law provided the civil, judicial and priestly (Levitical) law. The Mosaic Law was applicable to the tribes of Israel and its principles apply to all of mankind today.

## A Title

G5102 – Titlos - **τίτλος** from Latin titulus

**A title; an inscription, giving the accusation of the crime for which a criminal suffered**

**Vines: See Superscription** - denotes "an inscription, a title." On Roman coins the emperor's name was inscribed. In the Roman Empire, in the case of a criminal on his way to execution, a board on which was inscribed the cause of his condemnation, was carried before him or hung round his neck; the inscription was termed a "title" (*titlos*). The four Evangelists state that at the crucifixion of Messiah the title was affixed to the cross
